

BULLETIN NUMBER GT583, 8 JANUARY 1993

## Global 3000 Training

Following the release of the version 4.1 Global 3000 Accounts Suite the following courses are available this month on the Global 3000 range.

Global 3000 Accounts Modules Overview	20 <sup>th</sup> January
Global 3000 Distribution Modules Overview	21 <sup>st</sup> to 22 <sup>nd</sup> January

In addition the Operations for Technical staff course 18<sup>th</sup> to 19<sup>th</sup> January, now includes sections on the Presentation Manager utilities. If you have been considering attending these courses, but have been awaiting the latest changes, now is the time to attend. Please book in the normal way.

We enclose the current training schedule.
