Autozap run 7036

This is a monthly run of autozaps which contains all zaps since run 7035.

A number of recovery programs are included on the autozap diskette.

Product	Zap	Program
Global 2000 Purchase Ledger 6.1	70	PL61S0
Global 2000 Purchase Ledger 7.0	25	PL70S0
Global 2000 Purchase Ledger 7.1	33	PL71S0

These programs replace programs PL61RH, PL70RH and PL71RH which were distributed on autozap run 7035.

Running PL61RH, PL70RH and PL71RH may lead to corruption on the transaction file (PLT). It is recommended that the relevant program provided on this autozap run be run on the Purchase Ledger data if PL61RH, PL70RH or PL71RH has already been run. Print the Reconciliation Report to ensure that the ledger is in balance.

GLOBAL 3000 SOURCES

As zaps for Global 3000 become available we update the documents which explain the zaps to those resellers who have purchased sources of Global 3000. The following table indicates which of the documents have been updated with descriptions of the zaps on this autozap run:

Product	Document Name	Date	Zaps Written Up
MWOZV4.1A	Purchase Order Processing Source Zaps	14–March–94	13–14
MWSZV4.1A	Sales Order Processing Source Zaps	14–March–94	57–59

The source diskettes in the software production department have been updated to include new source files for components repackaged as:

Sales Order Processing V4.1A zap 58

The source diskettes for the Global 3000 V4.2 applications will be available shortly.
