BULLETIN NUMBER GT800, 7 JUNE 1996

Global 3000 club meeting

The next Global 3000 Club Meeting is scheduled for Thursday 13th June 1996. It will take place in our City office and commence at 2.00 pm.

In the light of recent organisational changes at Global Business Systems we have the opportunity to revise the development and release strategy for Global 3000. Phil Bacon will be attending the meeting and wishes to obtain the views of our resellers on a wide variety of subjects such as:

- Release of V4.3
- Enhancement Stream Policy
- Sales Training
- Marketing
- End User Training
- Future Product Content

If you are unable to attend the meeting and wish to contribute please write to Andy Smith at the Bourne End address.
