BULLETIN NUMBER GT807, 26 JULY 1996

Windows NT agreement with Compaq and Microsoft

Following extensive discussions and negotiations a tri-partite agreement has been signed between:

**Compaq
Microsoft
Global Business Systems**

The main terms of the agreement are as follows:-

- i) Global will be promoted as a leading supplier of accounting software on the NT environment.
- ii) Compaq will be promoted as the preferred hardware platform for NT.
- iii) Microsoft will be promoted as the preferred office and back-office development environment.

The endorsement of Microsoft and Compaq in recognising Global as a leading supplier of accounting software for NT, is the first of its kind in Europe and represents an exciting opportunity for all parties concerned.

Further details will be forthcoming regarding developments, marketing plans, formal announcements etc. Any reseller requiring information prior to the release of the full details should contact Andy Smith or Phil Bacon at Bourne End.
