BULLETIN NUMBER GT850, 10 DECEMBER 1997

Global 3000 Club - January 1998

The next Global 3000 Club Meeting is scheduled for Thursday 29th January 1998. Topics for discussion are likely to include:

· New features available in Global 3000 4.4

· European Monetary Union & Global 3000

· Possible Global 3000 4.4E features

If you are interested in attending, then please contact Hugh Clarke (hbc@tissoft.co.uk) at the City Office, detailing any particular topics you may be interested in discussing. A suitable agenda will then be drawn up and distributed.

Alternatively you may write to:
