32-bit Speedbase Global Technology Club meeting

A Global Technology Club Meeting has been arranged on Thursday 18th June 1998 at 2.00 pm in the City office at 75 Farringdon Road, London EC1M 3JY.

The main purpose of this meeting is to provide a progress report of the 32-bit Speedbase project and to brief those resellers who wish to take part in the beta-test of this important software development.

To book a place at the 32-bit Speedbase Global Technology Club meeting, or if you cannot attend the meeting but wish to receive the beta-test software, please contact Alan Underwood by fax (0171 831 2116) or email (alan@tissoft.co.uk).

The meeting on 18th June 1998 is targeted at Speedbase developers who plan to upgrade to 32-bit Speedbase. A further bulletin will be released announcing another Technology Meeting (in July 1998) for those Cobol developers who wish to upgrade to 32-bit.
