

# **TECHNICAL BULLETIN FROM GLOBAL BUSINESS SYSTEMS**

**BULLETIN NUMBER GT912, 18 AUGUST 2000**

## **Release of Global System Manager V8.1 revision I; GSM (Windows) V3.0; Global Windows Workstation V3.0.**

Global Business Systems is pleased to announce the availability of the following new software releases:

- Global System Manager V8.1 revision I. This release contains a number of major enhancements to GSM V8.1k. Please refer to the Global System Manager V8.1 Notes (document MSMNV8.1) for a complete list of the enhancements;
- Global System Manager (Windows) BACNAT variant V3.0. This release consists of new versions of GLOBAL.EXE, GLSERVER.EXE, GLCONS.EXE and GSMCONS.EXE. Please refer to the Global System Manager V8.1 Notes (document MSMNV8.1) for a complete list of the enhancements;
- Global Windows Workstation V3.0. This release consists of a new version of the GUB distribution volume containing the V3.0 32-bit Global Windows Workstation, GSMWIN32.EXE. The release does NOT contain a new 16-bit Global Windows Workstation (GSMWIN.EXE). Please refer to the Global Windows Workstation V3.0 Notes (document MGUNV3.0) for a complete list of the enhancements

These above new releases are available at a copy charge for all users on service that are upgrading from the same level and family of GSM. Reseller copies are also available at a reseller copy charge. Would resellers who have ordered advance copies for any of the above releases please re-submit their orders and add the relevant copy charge.

The Global System Manager Notes (document MSMNV8.1) and Global Windows Workstation Notes (MGUNV3.0) can be ordered from the Production Department and are freely available on the Bulletin Board and Global Web Site.

If you have any queries regarding the above information please contact the Service Centre ([globsupp@tissoft.co.uk](mailto:globsupp@tissoft.co.uk)) at the City office.
